

PERDAMAN

CHEMICALS & FERTILISERS

Collie Cricket Club would like to take this opportunity to show its deep appreciation to **Perdaman Chemicals and Fertilisers**, together with the **Western Australian Cricket Association**, for again bringing Tom Moody and 6 Western Warriors to Collie on Friday, March 23, to train the town's year 5s at the Collie Cricket Club's home ground.

Already into its 3rd year in succession, the year 5s can look forward to an exciting day mixing with the Western Warriors that they will remember for years.

The Collie Cricket Club thanks Perdaman Chemicals and Fertilisers for their continued support and commitment for investing in the youth of Collie.
